

advertising design sprintaprint direct mail online

quality policy

at+m integrated marketing, provides a range of quality products, comprising of advertising, design, sprintaprint, direct mail and online.

The Company is committed to maintaining, through its Quality Management System, a level of acceptable quality and reliability of supply that will equal or surpass the expectations of our most critical clients.

We aim to continually achieve a standard of conformance which will comply with all specifications, standards and contractual obligations.

This commitment and the achievement of these quality objectives is the prime responsibility of all our employees at all levels.

To this end we are conscious of communicating our policy to ensure it is understood by all our employees.

Our Quality Management System complies with AS/NZS ISO 9001:2000, enabling us to maintain an ongoing commitment to continual improvement.
